

GUIDANCE FOR THOSE WITH EXPIRING COPTTM WARRANTS AWARDED PRIOR TO APRIL 2021

Warrant	Where to next?
L1 TC - current	<p>Before your TC warrant expires you can either pass an STMS Universal workshop or refresh at a similar level to TC by passing a TMO -NP workshop.</p> <p>In order to practice on the road further training and assessment is required.</p>
L1 TC - expired	<p>You can regain a warrant at a similar level to TC by passing a TMO -NP workshop.</p> <p>In order to practice on the road as a TMO a TMO practical assessment is also required.</p>
L1 STMS – current or expired up to 12 months	<p>Pass an STMS refresher workshop to be refreshed as a non-practising STMS (AB) -NP.</p> <p>You can also pass the STMS (C) -NP workshop to gain the STMS (C) -NP warrant.</p> <p>In order to practice on the road as an STMS a practical assessment is also required for each category of road you will be working on.</p> <p>If your responsibilities fall solely into the role of STMS Mobile then you may prefer to pass an STMS Mobile -NP workshop and assessment instead.</p>
L1 STMS – expired more than 12 months	<p>Renew your STMS warrant by passing an STMS -NP workshop for each category of road you work on (Category A, B, C, or Mobile).</p> <p>It is recommended you first complete the STMS Universal workshop in order to receive training on critical components like prestart checks, crew briefings and worksite inductions which are not covered in the L1 STMS or Category -NP workshops. This may instead be covered when working with a Mentor to prepare for your practical assessment if preferred.</p> <p>In order to practice on the road as an STMS a practical assessment is required for each category of road you will be working on.</p>
L2/3 STMS or L2/3 STMS -NP current or expired up to 12 months	<p>Pass an STMS refresher workshop to be refreshed as a non-practising STMS (ABC) -NP.</p> <p>In order to practice on the road as an STMS a practical assessment is also required for each category of road you will be working on.</p>
L2/3 STMS or L2/3 STMS -NP expired more than 12 months	<p>Renew your STMS warrant by passing an STMS -NP workshop for each category of road you work on (Category A, B, C, or Mobile).</p> <p>In order to practice on the road as an STMS a practical assessment is also required for each category of road you will be working on.</p>
TC Inspector (TC (I))	<p>Pass an Inspector or TMO -NP workshop. The inspector warrant requires you to pass a practical assessment.</p> <p>In order to practice on the road as a TMO a practical assessment is required following the TMO -NP workshop.</p>
