Important notes:

It is anticipated that in 2021 that Waka Kotahi (NZTA) will introduce Non-practicing and Practicing qualifications for Traffic Controller (TC) and STMS training.

We do not expect any changes to occur to TC and STMS training in the first quarter of this year.

Also, new NZQA unit standards accompany the new NZTA learning blocks as optional qualifications.

It is anticipated that in 2021, TTM trainees can elect to work towards the NZQA National Certificate in Temporary Traffic Management Level 3.

As soon as changes to training are finalised, we will let you know.

Feel free to call Pauline Mountfort at Training Aspirations to discuss warrants and NZQA qualifications.
